

Education Bachelor of Fine Arts in Graphic Design at The Maine College of Art in Portland Maine 2003; concentration in print & motion interactive media.

Invited to Study Digital Design at The Danish Design School in Copenhagen, Denmark; The course involved a Scandinavian design lecture series and a one week studio tour through Copenhagen, Stockholm and Helsinki. A personal web site was created to document the whole experience.

Objectives My goal with every client is to implement concept with sophistication & a sense of playfulness.
